DEFINITION OF "SERIES."

Two or more contiguous Flags or Pendants of the same class in any hoist, which in themselves compose a separate signal, are termed a "Series."

Note.—The Numeral, Latitude, and Longitude, and Horary Pendants, when hoisted between Numeral Flags, are not to be considered as breaking the "Series."

The 1st Substitute always repeats the upper Flag or Pendant of a "Series," the 2nd Substitute repeats the second Flag or Pendant, the 3rd Substitute repeats the third Flag, and the 4th Substitute repeats the fourth Flag.
